

Sun Life Assurance Company of Canada

Dave Cooper (#1773)

I attended an auction recently where two Canadian errors sold for \$13,500 plus 10 percent buyers fee and taxes. A 5¢ Connell stamp, mint, New Brunswick #5 sold for \$5,000.00 plus plus. Ah well, I passed up the chance to bid on the big items, but I did acquire two Sun Life Assurance receipts for \$7.00.

These are premium receipts from Sun Life Assurance Company of Canada's head office in Montreal. Each receipt have a blue Canadian 2¢ Excise Tax Stamp tied by a hand date stamp. The 1923 (top) is about 90 percent of Canadian pattern S19. The 1924 receipt (bottom) is a full strike of S19, but it appears to have been very tightly doubled.

NOTICE TO POLICYHOLDERS

This is the Company's official Premium Receipt. Payment of any premium will not be recognized by the Company unless such an official Premium Receipt be given, signed by the President or the Secretary. Such Receipt must be countersigned by the representative of the Company as evidence of payment to him. Any alteration of the printed terms of the Receipt renders it null and void.

Have you submitted evidence of age? While an incorrect statement does not invalidate the contract, at the time of settlement with the beneficiary proof of age will be required. It is, therefore, suggested that you ask now for instructions regarding proof, unless policy reads "Age admitted," or you hold Company's "Admission of Age" certificate.

The Annual Meeting of the Company will be held at its Head Office in Montreal, at two-thirty o'clock, P.M., on the second Tuesday in February of each year. Policyholders are cordially invited to be present.
